

Two challenges:

(1) Form as many words from the letter symbols of the elements in the Periodic Table, e.g.

PÉÁP^ÉÁŠàÉÁÓ^ÉÁÓÉÁÔÁ õ

(2) Form the longest word possible from the letter symbols of the elements in the Periodic

Væà|^ÉÁ^É*ÉÁPÉÁP^ÉÁŠàÉÁÓ^ÉÁÓÉÁÔÁ õ

www.rsc.org/periodic-table/

Rules:

1. Please use the entry sheet tab to record your words
2. Words need to have five letters or more
3. Each element can only be used once in a word
4. Words that can be created in both singular and plural forms can only be included once in the plural form
5. Proper nouns, names, places etc can be included
6. Hyphenated words are excluded
7. No offensive words please
8. Type the letters of the element as they appear in the Periodic Table as shown in the example on the entry sheet
9. Highlight your longest word as shown in the example on the entry sheet

NAME: _____

Add more rows to the table if required
